

# 2010 Sugar Pine Parent Evaluation

## 1. GSNorCal

Dear Parents / Guardians,

We enjoyed having your daughter with us this summer and hope she not only gained new skills and learned more about herself, but also took home some special memories of her camp experience as well!

The camp programs at Girl Scouts of Northern California are designed and implemented with both you and your daughter's needs in mind. From the registration process through the actual camp experience, our goal is to provide programs and services that work for you. To help us maintain this quality of service, your comments are essential! Please take a few moments and complete this online evaluation form as soon as possible. If you would like to discuss your daughter's camp experience with a council staff member, please contact Sari VanOtegham, Senior Director of Outdoor Programs, at (408) 287-4170 ext. 257 or [svanotegham@girlscoutsnorcal.org](mailto:svanotegham@girlscoutsnorcal.org). Thank you for your time and input... we look forward to receiving your comments.
