## JEWELRY MAKING FOR BUDDING ENTREPRENEURS

*Does your child dream of being their own boss one day? Let the learning process start early with our Jewelry Making for Budding Entrepreneurs! This dynamic class teaches children how to own and operate their own socially conscious business, while exploring their creativity and natural business instincts. Children will learn the basics of accounting, merchandising, manufacturing, and the process of selling their pieces to raise money for their favorite charity or school fundraiser.*

*Children will have the exciting opportunity to learn different jewelry techniques, and design their own line of jewelry, including, earrings, bracelets, necklaces, rings, hair jewelry, ankle bracelets, and more!*

***This class can be done as either a single hour long class, or it can be done as a series where children are able to build on their business and jewelry making skills.*** We can accommodate as many or as few sessions as you need. For a series of classes, we end the with a jewelry sale where the profits will be donated to a charity of the children's choice!
