

# EARN YOUR CAR SENSE IP

@ Firestone Complete Auto Care

Firestone Complete Auto Care has been in business since 1926 and for the past 5 years taken an active role in Girl Scouts. Our 26 Bay Area Store are very excited to have local Girl Scouting Troops come and earn their Car Sense Interest Project.

We will cover the following for you to earn your IP: Show you where and how to check Engine Oil, Transmission Fluid, Brake Fluid and Power Steering Fluid. How to align wheels and balance tires, what belts are in today's cars and how often they need to be changed and where the shocks are and what they do. We will show you how to change the oil, oil filter and our recycling methods, also, how to check tire pressure; use a tire pressure gauge correctly and how to change a tire. We will also explain the difference and how ABS braking systems work. Before you leave we will give you an estimate cost on a 30, 60 or 90 service for your vehicle so that you are able to see what services may be needs or can cost and you can compute the yearly cost. Lastly we provide the Career Exploration for you, we have on staff a Store Manager, Service Manager, Manager of Tire Sales, Retail Sales and Technicians at every location that can answer your questions about what brought them to Firestone, their education, training and challenges with working on cars. The only item you will need to do to earn the patch is the Service Project.

This offer is good for all Girl Scouts ages 15 and older, Leaders, Volunteers and Adults. You will be receiving a Tire Pressure Gauge, Pen and Informational Packet to take home.

Upon taken this class all attendees will be eligible for the Family & Friends discount their vehicles.

This Interest Project is offered for FREE!!!!

Please contact the Firestone District Office at 925-674-0301 ext. 100 to sign up.
