

# Each One, Add One

## The Power of "ONE"

### INVITE "ONE" MORE GIRL TO THE CIRCLE!

We are encouraging troops to add one more girl to their troop to celebrate Girl Scouts 100<sup>th</sup> Anniversary. If a troop maintains the number of girls they had registered in 2011 and registers one more girl by December 2, 2011, then each girl receives this button.

In the Girl Scouts of Northern California, there are over **40,000** girls in troops; over **4,000** volunteer-led troops in **96** Service Units.

#### *Imagine if ....*

Each troop added "**one**" more girl to their existing troop ...that would mean there would be **4,000** new girls;

Every Service Unit added "**one**" more troop with at least 10 girls... that would mean **960** more girls;

Every girl's family gave **\$100.00**....it would net approximately **\$4,000,000** for girls;

Every troop gave **\$100**...it would net **\$400,000** for girls;

Every girl sold "**one**" more box of cookies? With 31,000 girls selling that would be **31,000 more** boxes of cookies which is more money for girls and your troop.

Submit this to your SU Registrar and they will verify that your troop qualifies based on the Personify Rosters.
