

Girl Scouts Equipment Retailers

There are many ways to get the Girl Scout program supplies you need:

- Girl Scouts of Northern California Retail Stores are located throughout the GSNC Council in Chico, Eureka, Oakland, Redding, San Jose and Santa Rosa. Go to www.GirlScoutsNorCal.org for locations.
- Visit the Girl Scouts of Northern California Online Store at <http://store.GirlScoutsNorCal.org>. All proceeds from the online store and the GSNC Retail stores benefit local Girl Scout programs.
- Equipment Retailers are non-Girl Scout retail locations who stock council I.D. strips, troop numbers, and books. They do not carry official, restricted items such as badges and awards. Contact the store or your choice for hours of operation, stock and availability.
