Social Etiquette for Children

Dedicated to promoting social etiquette for elementary/middle school age children, our programs are designed to be fun and creative, using role-playing and constructed social situations.

[We design the program based on the level of the troops and requested topics](#)

We cover topics such as: proper introduction/handshakes; table manners and setting, the art of eating out, etiquette in public places; party manners; manners of speech and proper posture; etc..

Instructor, Shirin Teyssier is a cross-cultural specialist with 25 years experience in the areas of international relations & protocol, worked for the United Nations; membership was awarded by: The International Society of Protocol & Etiquette
